JOINT ATOMIC ENERGY INTELLIGENCE COMMITTEE

19 MAR 1970

MEMORANDUM FOR: Executive Secretary, United States
Intelligence Board

SUBJECT: Use of NSAM No. 347 as a Cover Sheet
for JAEIC Statements

REFERENCE: Memorandum, S-0538/AP-2A, DIA, 6 February
1970, Subject as Above. On 9 February
the USIB Secretariat referred this
Memorandum to Chairman, JAEIC, for
Comment and Recommendation.

1. The Director of DIA has approved an internal DIA procedure whereby the DoD can substitute a suitable caveat for the actual NSAM on Limited Distribution JAEIC Statements disseminated within the DoD. (See attachment.) The JAEIC agrees that the repetitive telegraphic transmission of the verbatim NSAM is an unwarranted administrative burden, and concurs in the DIA-approved procedure. The JAEIC will continue to use NSAM 347 as a cover sheet.

2. The JAEIC therefore considers that this matter has been resolved.
